Re: Student Accident Coverage Information

Dear Parent:

Dixon Public Schools is an eligible member of the Illinois School District Agency (ISDA), Student Accident Coverage will be provided for the current school year for each enrolled PreK-12 student at no cost to the parents. No enrollment is necessary for the school time coverage.

An electronic version of the brochure and claim kit is available at www.wcsit-isda.com/sa. An ID card is included in the brochure. If you need to seek medical attention for your Pre-K – 12 student's school related injury, the card should be presented to the provider along with your primary insurance ID card (if applicable).

If you need to file a claim, claims must be made by contacting the school and completing the claims form. Please read the claim form for full details on how to submit a claim. The school district and medical/dental providers are not responsible for submitting a claim. You must file a claim with your own health insurance carrier first. This plan is designed to pay for expenses which are not reimbursed by your primary health insurance.

We are pleased to be able to offer this benefit of ISDA membership to eligible members for the current plan year. If you have any questions about this program or how to purchase optional coverage, please call our Administration Offices at 284-7722.

Sincerely,

Dixon Public Schools
Student Insurance Department
